Terra Lake Trout Release

JOHNSTON, Iowa – The Johnston Parks Department and the Iowa Department of Natural Resources will be releasing 1,000 rainbow trout into Terra Lake on Thursday, October 24. The 1,000 trout will be around 10" in length. The release will begin at 12:30 p.m.

This event is free, but anglers must be properly licensed, must have a trout stamp, and bring their own fishing equipment. The daily limit is five trout per licensed angler with a possession limit of 10. Children age 15 or younger can fish for trout with a properly licensed adult, but their daily limit is one. However, children can buy a trout fee which will allow them to catch their own limit.

Terra Lake Park is located at 6400 Pioneer Parkway in Johnston.
