Stormwater Utility Fee: \$6.55 per ERU

An ERU is the quantity used for assessing the stormwater utility fee charges. One ERU in the City of Johnston is set at 4,000 square feet of impervious surfaces (like driveways, roofs, patios, etc.). Thus, the Stormwater Utility fee system is based on the total impervious surface area of a property divided by 4,000 square feet. Properties with greater than 4,000 square feet of impervious surface are charged for more than one ERU.
