Re: **Update concerning the Closure of NW Beaver Drive as part of the NW 66 Avenue/Kempton Bridge Reconstruction Project.**

****UPDATE****

Please be aware that a previous notice incorrectly noted that the closure of NW Beaver Drive between Merle Hay Road and the intersection of NW 66th Avenue, which is currently closed, would be in-place until July 31st.

This phase of the project is expected to take approximately 11 weeks to complete, so it is currently anticipated that NW Beaver Dr. will re-open in Mid-September. The posted detour will be in place throughout this period using Merle Hay Road, NW 62nd Avenue, and NW Beaver Drive south of the NW 66th Ave. intersection. We apologize for any confusion the previous notice may have caused.
