Dear Property Owner:

RE: NW 54th Avenue Reconstruction – 100th Street to NW 86th Street – CANCELLED.

In an effort to prevent the spread of COVID-19 the City of Johnston has cancelled all project related public meetings. Therefore the **NW 54th Avenue Reconstruction Project public meeting on March 24, 2020 from 5:30 pm to 6:30 pm has been cancelled.**

The City will provide a power point presentation explaining the anticipated construction schedule and other items related to the construction of this project on the City's website **www.cityofjohnston.com/projects**. That presentation will be available early next week (March 23, 2020).

We anticipate construction activities to begin next week March 23 (pending weather). These activities will include clearing brush on the south side of NW 54th Avenue. NW 54th Avenue will remain open to traffic during these activities. Prior to any street closures electronic message boards will be placed on-site notifying the traveling public of a future closing date.

I can be contacted with any questions you may have about the project. You can reach me by telephone at 515.278.0822, or by email at: mgreiner@cityofjohnston.com. Additionally, Mike Lyons with Short Elliott Hendrickson (SEH) is the Project Manager for this project and is available to address questions related to the project.
