

Your Yardwaste Recycling Choice

Johnston Premium Service Now Available

Metro Waste Authority and the City of Johnston are offering Johnston residents a premium yard waste collection service. The program is an optional subscription-based service available in addition to Compost It! bags and stickers.

<p><i>How does it work?</i></p>	<p>Residents can purchase one season's use of a special 96 gallon wheeled cart for collecting yard waste. Only organic yard or garden waste - such as grass, leaves, brush or branches - can be placed in the cart. Your cart will be emptied weekly on regular trash and recycling days.</p> <p>An annual Compost It! sticker will come attached to each cart when they are delivered to subscribers. The sticker is good for one yard waste season, approximately April 1 through November 30. Residents who renew their subscription the following year will be mailed a sticker after renewing their subscription. Renewals will be requested before April 1.</p> <p>Residents are limited to one cart per home. Yard waste that doesn't fit in the carts must be placed in Compost It! bags or tagged with Compost It! stickers for collection.</p>
<p><i>How much does it cost?</i></p>	<p>The cost of the program is \$100 per year to cover collection and yard waste recycling.</p> <p>Participants new to the program will also pay a one-time fee of \$80 for the use and delivery of the cart and account setup.</p> <p>For yard waste that does not fit in the cart, please be sure it is bundled or bagged properly. Each bundle must have a \$1 Compost It! sticker attached; brush bundles must be no more than 18 inches in diameter and no more than four (4) feet long and cannot weigh more than 40 pounds. Also use Compost It! stickers on generic brown paper kraft paper bags, or use Compost It! bags on their own (no stickers needed). Compost It! bags are \$7.75 for five.</p>
<p><i>When can I sign up?</i></p>	<p>Residents can sign up now for the program. Carts and/or stickers will be delivered to subscribing residents prior to the start of the yard waste season. The wheeled carts will be collected during the same season as Compost It! bags and stickers, approximately April 1 through November 30.</p>
