

## CHAPTER 6

# CITY ELECTIONS

### 6.01 Method to be Used

### 6.02 Election Precincts Established

**6.01 METHOD TO BE USED.** All candidates for elective municipal office shall be nominated and elected under the provisions of Chapter 376 of the Code of Iowa. A primary election must be held for offices for which the number of individuals for whom valid petitions are filed is more than twice the number of positions to be filled.

**6.02 ELECTION PRECINCTS ESTABLISHED.** The City is divided into three election precincts for the purpose of conducting all elections required by the Code of Iowa or City ordinance.

1. One precinct shall be styled *Johnston No. 1* and shall include all that territory encompassed in the City lying northeast of a line beginning at the intersection of NW 70<sup>th</sup> Avenue and Beaver Creek, then following Beaver Creek southward to NW 62<sup>nd</sup> Avenue, then proceeding east along NW 62<sup>nd</sup> Avenue, to Beaver Drive, then north along Beaver Drive to NW 66<sup>th</sup> Avenue, then proceeding east to the east City limits.
2. One precinct shall be styled *Johnston No. 2* and shall include all that territory encompassed in the City lying southeast of a line beginning at the intersection of Beaver Creek and NW 54<sup>th</sup> Avenue, then proceeding north along Beaver Creek to NW 62<sup>nd</sup> Avenue, then proceeding east along NW 62<sup>nd</sup> Avenue to Beaver Drive, then north along Beaver Drive to NW 66<sup>th</sup> Avenue, then proceeding east to the east City limits.
3. One precinct shall be styled *Johnston No. 3* and shall include all that territory encompassed in the City lying west of Beaver Creek to the west City limits.
