Dear Property Owner:

RE: NW 100<sup>th</sup> Street Reconstruction – NW 54<sup>th</sup> Avenue to NW 62<sup>nd</sup> Avenue

The City of Johnston is completing the design of the NW 100<sup>th</sup> Street reconstruction project. The intent of this project is to reconstruct 100<sup>th</sup> Street from north of NW 54<sup>th</sup> Avenue to south of NW 62<sup>nd</sup> Avenue. The south limits begin where the multi-lane pavement starts north of NW 54<sup>th</sup> Avenue and the north limits end at the multi-lane pavement south of NW 62<sup>nd</sup> Avenue. These improvements will include 4-lane divided urban design, water main replacement, multi-use trail and storm sewer construction along the corridor.

The second public information meeting for this project will be held on Thursday, February 9, 2023 from 5:30 – 6:30 PM at Johnston City Hall. The intent of this meeting is to give an overall project update, that includes an adjusted timeline, any design changes and revised construction phasing/sequencing details. The design team and representatives from the City will present the updated information and be available to answer questions.

I can be contacted with any questions you may have. I may be reached by telephone at 515.278.0822, or by email at [mgreiner@cityofjohnston.com](mailto:mgreiner@cityofjohnston.com). Additionally, Mike Danburg with Short Elliott Hendrickson (SEH) is the Project Manager for this project. He may be reached by telephone at 515.957.2372, or by email at [mdanburg@sehinc.com](mailto:mdanburg@sehinc.com), and is also available to answer any questions you may have.
