

REQUEST FORM
NO MOSQUITO SPRAYING
May 1 through September 2022

Property Address: _____

Property Owner: _____

Date of Request: _____

Each year, residents must request that this form be sent to them and return it to the Johnston Public Works Department so their property may be added to the list of properties requesting no spraying. The sprayer will be shut off approximately 200' from the property. This is the maximum distance that will be used due to those residents who want the benefit and protection of the service.

When conditions are favorable for mosquitoes, Wilson Brothers will spray on Thursday night depending on the weather. Start time will be after 9:00 PM.

Return completed form to Johnston Public Works, 6400 NW Beaver Drive, Johnston, IA 50131.
