NOTICE

Separate permits and fees are required for Electrical, HVAC/Mechanical, and Plumbing work, State Issued Licensing may be required. Work described in this application must begin within 180 days from the date of issuance of the permit, efforts or work must be continuous until completed and a Certificate of Occupancy or Letter of Zoning Approval is issued, and must be completed as described herein unless amended by the Building Official. All work is subject to inspection and approval by the Johnston Building Department or designee. It is the responsibility of the permittee to seek all inspections and approvals.

It is the permittees responsibility to be familiar with the applicable provisions of the Johnston Code of Ordinances governing work covered by this permit application. The undersigned warrants that he/she has reviewed the necessary ordinances, specifications, provisions, zoning requirements, building, and fire codes applicable to the work described in this application for permit and will defend, indemnify, protect, and hold harmless the City of Johnston, its employees and contactors from any and all liability, from any claim, cause, or action which a person may have or claim to have by reason of any actual or alleged failure on the part of the undersigned to comply with the terms and conditions thereof.

I hereby certify that I have read and examined this application and its attachments and know the same to be complete, accurate, true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I agree to adhere to the plans as submitted and approved by City Staff and will provide notification of any change prior to construction. The granting of a permit does not presume to give authority to violate or cancel any provision of any state or local law regulating construction or the performance of construction.
